Subject: Hyperion : 1-Mile Gate Activation Exercise on November 17 & 18, 2021
Attachments: Hyperion Update_ 1-Mile Gate Activation Exercise.pdf; MEDIA ADVISORY_ ROUTINE MAINTENANCE TESTING TO TAKE PLACE AT HYPERION WATER RECLAMATION PLANT - 11.15.21.pdf

Hello All,

As a part of the Hyperion Water Reclamation Plant Wet Weather Preparedness Plan, LASAN will be conducting a functional test on November 17 and 18, 2021 to ensure that the 1-Mile Outfall gates will operate reliably during an emergency flow diversion.

For more information about the planned exercise please see the attached Community Notification along with the official Media Advisory that members of your Public Affairs and Media teams may have received.

Please feel free to contact us with any questions and/or concerns.
